

CLEAN & PREP DETERGENT FLOOR CLEANER, DEGREASER & TIRE MARK REMOVER

PRODUCT DESCRIPTION: *Specco Clean & Prep C-20 Detergent* is an environmentally safe, alkaline based, cleaning solution formulated to remove grease, oils, dirt, rubber tire marks, and other hydrocarbons from concrete and masonry surfaces. *Clean & Prep C-20 Detergent* is a low viscosity, low foaming cleaner that rinses easily leaving little if any residue on the substrate. *Clean & Prep C-20 Detergent* can be used interior or exterior for general clean-up or stain removal prior to acid etching or mechanical surface preparations for coating applications. Typical uses include garages, patios, repair shops, driveways, and walkways.

BENEFITS:

- **Economical, ready to use formulation**
- **Dissolves oil stains and grease deposits very quickly**
- **Safe to use with most scrubbing machines and cleaning equipment**
- **Low foaming and easy rinsing**
- **Low odor formulation contains minimal V.O.C.**

COMPOSITION: Alkaline based cleaner with added stain removers, co-solvents and cleaning surfactants

LEED CREDIT CONSIDERATIONS: MR Credits 5.2: Regional materials-Greater than 20% extracted, processed and manufactured regionally at production location: Kankakee, IL. 60901. 90% Content- Harvested within 500 miles.

PHYSICAL PROPERTIES at 70° F (21°C):	APPROXIMATE VALUES:
Weight per Gallon:	8.48 +/- 0.10 lb./ gallon
Color & Odor:	Clear green liquid with no odor
pH (undiluted):	12.40 +/- 0.10
VOC Content:	45 g/L (0.37 lb./gal)
Active Ingredients	20%
Freeze Thaw Stability	3 cycles

Contains less than 100 g/L (0.83lbs/gal.) volatile organic compounds. This product meets the OTC Industrial Maintenance Coatings requirements in accordance with EPA 40 CFR Part 59 Table 1 Subpart D for Concrete Cleaners.

DIRECTIONS FOR USE: Always test an area before overall application to determine suitability and results. The following are recommended dilutions. Adjust dilution rates based on tests.

For light duty cleaning and floor maintenance	Dilute 1 part <i>Clean & Prep C-20</i> to 8 parts water by volume
For heavy build up of oil or grease or tire marks	Use undiluted

APPLICATION: Remove excessive grease, oil, etc. from the surface with a scraper or wire brush. Thoroughly saturate the surface to be cleaned with potable water.

APPLICATION (Continued): Apply *Clean & Prep C-20 Detergent* to the contaminated surface with a masonry washing brush and scrub the solution into the stained area. Allow the solution to remain on the surface for approximately 10-15 minutes. Rinse the surface thoroughly with potable water. Repeat the procedure if necessary.

COVERAGE: Approximately 100 square feet per gallon

CAUTIONS: Always pre-wet the surface to be cleaned with potable water just prior to the application of *Clean & Prep C-20 Detergent*.

Do not apply *Clean & Prep C-20 Detergent* to dry surfaces as this can leave a residue and cause surface staining. Do not apply *Clean & Prep C-20 Detergent* to frozen surfaces. Do not mix *Clean & Prep C-20 Detergent* with other alkaline, acidic or chlorinated based cleaners due to possible reaction or formation of dangerous fumes. Do not allow the *Clean & Prep C-20 Detergent* solution dry into the concrete substrate. Keep *Clean & Prep C-20 Detergent* solution from freezing. Surfaces treated with *Clean & Prep C-20 Detergent* will be slippery until dry.

GHS HAZARD RATINGS: WARNING

Irritant: May cause respiratory irritation. Will cause eye and skin irritation.

WARNINGS: HEALTH HAZARD & IRRITANT: Avoid ingestion, skin and eye contact and inhalation of the vapors. Use with OSHA/NIOSH approved eye protection. Wear protective clothing and safety glasses during application. Use with adequate ventilation. Avoid inhalation of the spray mist. Protect all grass, foliage and related landscaping from contact with *Clean & Prep C-20 Detergent*. Can be slippery when applied and during drying. Keep all traffic off the treated surface until dry. **FOR INDUSTRIAL USE ONLY. KEEP OUT OF REACH OF CHILDREN. Refer to product S.D.S. (SAFETY DATA SHEET) for FIRST AID INFORMATION, or any related health and safety information before using this product. For medical emergencies only, call INFOTRAC @ 800-535-5053.**
