

## Guide Specification

# R-20 Retarder

## Surface Retarder for Exposed Aggregate Concrete

*{Note to Specifier: The paragraphs below are meant to be incorporated into Part 2 and 3 of a standard CSI 3 Part Format specification (normally 03 30 00), the General Structural Notes, or directly onto the plans. They must be carefully reviewed and edited by a qualified design professional to meet the requirements of the project and governing building codes. Coordinate with other specification sections and drawings.}*
